

Science Day – Volunteers Needed

Science Day will be Friday November 9th

At Middletown (Kindergarten), each class will rotate to four classroom presentations including either 'Reptiles' or 'Winter Animals' provided by Anita Purves Nature Center. Both Sangamon (1st and 2nd grades) and Lincoln Trail (3rd through 5th grades) will rotate to three classroom presentations AND attend a school wide assembly. The assembly at Sangamon will be provided by 'Mad Science' and at Lincoln Trail will be provided by 'Rockin' Science.'

We are looking for volunteer Guest Speakers and Classroom Assistants. We would like presenters to demonstrate an experiment or bring science equipment or samples (fossils, insects, etc) for the classes to examine. The more hands on the better! We need guest speakers for ALL grades (Kindergarten through 5th grade). We have ideas if you are willing to lead the classes and will reimburse you up to \$50 for expenses for materials used in your presentation.

At Middletown the presentations will be 20 minutes long, and we ask that you repeat the presentation four times during the morning and/or afternoon session(s). There are 20-25 students in each class. The morning session runs from 8:30-10:45am and the afternoon session runs from 12:30-2:45pm and any additional time necessary to set up your class.

At Sangamon and Lincoln Trail each classroom presentation will be about 18 minutes long, and we ask that you repeat the presentation six times. There are 20-25 students in each class. The classroom presentations are from 12:30-2:50pm and any additional time necessary to set up your class.

Classroom assistants will help presenters find their classrooms and assist in passing out materials needed by presenters as well as being a second set of hands to assist students in the programs.

If you are interested in volunteering for Science Day or would like more information, please contact Linda Bowers at 898-7020 or linda.l.bowers@gmail.com. Thank you for your time and consideration.

Yes, I would like to prepare a classroom presentation. My presentation will be about:

Yes, I would like to be a classroom assistant.

My name _____

Phone number _____ Email _____

School I'd like to volunteer at (if applicable) _____
